Dear Mrs. Manley:

I was glad to receive your letter of February 12 and to learn of the progress being made in the re-organization of the League.

Unfortunately, I will not be in New York until February 24, the very time of your joint meeting in Chicago.

Perhaps the matter can be crystallized sufficiently at the joint meeting to permit the appointment of a small committee to work out details of the plan which you have in mind.

In any event, I shall be glad to talk with you at the first opportunity.

Sincerely yours,

William H. Hastie
